REPORT OF THE
COUNTY COMMISSIONERS

The County Commissioners of Bristol County herewith submit the following as their annual report upon the affairs of the County of Bristol for the year 1914, in accordance with the provisions of Chapter 21, Section 25, of the Revised Laws.

FINANCIAL CONDITION.

The permanent debt of the County of Bristol at the beginning of the year was eight hundred and sixty-seven thousand five hundred dollars ($867,500.00). Of this indebtedness there was paid during the year the sum of fifty five thousand dollars ($55,000.00), viz: On account of the Attleboro District Court House, $10,000.00; on account of the New Bedford Registry Building, $40,000.00 on account of Bristol County Agricultural School, $5,000.00.

Debts were incurred during the year as follows: On account of New Bedford District Court House, $10,000.00; on account of Bristol County Agricultural School, $45,000.00, leaving the permanent debt at the close of the year the same as at the beginning, namely eight hundred and sixty-seven thousand, five hundred dollars ($867,500.00), which is made up as follows:

On account of Fall River & Somerset Bridge,	$270,000.00
On account of New Bedford & Fairhaven Bridge,	80,000.00
On account of Fall River District Court House,	67,500.00
On account of New Bedford Registry Building,	140,000.00
On account of Attleboro District Court House,	60,000.00
On account of New Bedford District Court House,	150,000.00
On account of New Bedford & Acushnet Bridge,	30,000.00
On account of Bristol County Agricultural School,	70,000.00
	$867,500.00

During the past year the sum of three hundred and fifty seven thousand dollars was raised by direct taxation, and it is estimated that the sum of three hundred and sixty-seven thousand dollars will be necessary for the coming year.

The estimates for the past year proved to be insufficient in a number of departments, viz: for salaries of county officers, owing to the increase of certain salaries by Legislative Act; for expenses of district courts, owing to an increase of business of said courts; for support of prisoners in jails and house of correction, owing to there being a larger number to care for and other causes; for highways and bridges, owing to an increase in State Highway Tax; for pensions, owing to an increase in the number of pensioners.

The following is a summary of the receipts and expenditures of the County during the year:

RECEIPTS.
